AC Power
For Business-Critical Continuity

Liebert® PSS™

Surge Protection for Professional Equipment and Network Phone Lines

Liebert PSS Surge Protection Strips provide computer grade power, protecting connected equipment from the damaging effects of lightning, spikes, surges, and other power quality problems. Two models are available: Liebert PRF 1080 Professional Series provides protection for 8 standard 3-line receptacles; the Liebert NET 1080T Network Series includes phone line protection.

Ideally Suited For:
- Professional and home office equipment
- Network routers, bridges and hubs
- Network workstations
- Point-of-sale terminals
- Phone / fax / modems

Flexibility:
- Available in a Professional model, or a Network model with phone line protection.
- Provides spacing for wall mounted transformers without covering other outlets.
- Angled plug allows connection of the surge protector without covering the other wall outlet.

Higher Availability:
- 8 Surge protected outlets supply complete 3-line AC protection.
- Protects against lightning, spikes and surges.
- Includes EMI/RFI attenuation for improved power to connected equipment.
- Audible alarm immediately sounds if surge protector is no longer protecting the connected equipment.

Lowest Total Cost of Ownership:
- Standard two year warranty protects your investment.
